Applications can be completed on this website by going to the free and reduced tab, if you are unable to submit it online, a paper application can be printed and sent to the Food Service Office at 5364 Franz Rd, Katy TX 77493 or the front office of your student school.

Who can receive free meals?

There are several ways that your children may be eligible for meals free of charge: Your child can get free meals if your household income is within the free limits on the Federal Income Guidelines.

Another way is through "categorically eligibility". If one member of your household is currently receiving assistance (benefits) from one of the following Programs: Food Stamps, TANF and FDPIR, **all** children in the household are eligible for free meals. (Remember, a household is defined as "...a group of related or non-related individuals, who are not residents of an institution or boarding house, but who are living as one economic unit."

Foster children are categorically eligible for free meal benefits. An application is needed so that our department can approve the benefits.

Have the eligibility guidelines changed from last school year?

Yes the eligibility guidelines have changed from last year and you do need to fill out a new application if you feel you still qualify for the meal benefits.

Can homeless, runaway and migrant children get free meals?

Yes. Other categorically eligible children are those who meet the definition of "migrant, homeless, or runaway". If you are a homeless, runaway or migrant child, please contact the Food & Nutrition office for assistance in completing an application. [We usually receive documentation for these children from official sources, but if you know of any, please contact your Food Services Office.]

I got a letter saying my children are approved for free meals for this school year. Should I fill out an application?

All applications **MUST** be renewed every new school year. Please carefully read the letter you received and

follow the instructions. Call the Nutrition and Food Service Department if you have questions. If you received a letter for the *current* school year, then *no*, you do not have to fill out a new application. (Just make sure that all of your children are listed on the letter as being eligible to receive free meals.)

Who can receive Reduced Price meals?

Include yourself, all children who live with you and all other people living in your household, related or not (such as grandparents, other relatives, or friends).

What if my income is not always the same?

Please contact the Nutrition and Food Service Department for further instructions. List the amount that you normally receive BEFORE deductions. For example, if you normally receive \$1,000 each month, but you missed some work last month and only got \$900, put down that you get \$1,000 per month. If you are normally paid for overtime, include it.

Are applications available in other languages?

Applications are available in English and Spanish. Applications may also be available in other languages.

Why is it necessary to use the same name as it appears on the Birth Certificate?

Since the School District uses the birth date and name information from the Birth Certificate for all school records. The only way the application can be validated is by using the same information. Clearly, nicknames and family abbreviations will slow down the application process.

Why do you list All Other Household Members?

The consideration for approval of an application is based on income and the number of household members. Therefore, it is required to list all members of the household.

Why do I need to fill out Social Security Number and sign the application?

These two sections are required fields and it is very important that these sections be completed. If this information is not completed, **the application will be returned to the applicant**. However, a change in requirements now only requires the last four digits of the social security number for the adult signing the application needs to be listed rather than the entire social security number.

If I have more than one student going to school in the School District do I need to fill out more than one application?

No, only complete ONE APPLICATION PER FAMILY.

If I have a student living at home that goes to a private school, charter school, or Pre-K school, should I include them on the application?

Yes, include them as Other Household Members at the bottom of the form.

Direct Certification

What is Direct Certification?

Under direct certification, school districts use information from State Social Service Department to certify children to receive free meals. To qualify, the children's families must receive assistance from Food Stamps (SNAP), Temporary assistance for needy families (TANF), Food Distribution Program on Indian Reservations (FDPIR), or some Kin-GAP Programs.

How do you know if your Student is Direct Certified?

Direct Certification Letters are sent to the homes of pre-approved students on the first weeks of school.

If one student is Direct Certified, in a household, are the remaining students also Direct Certified?

Yes. Except for PK students, in this case you will need to submit an application for your other students and include your PK student as a member of the household.
